**MEMORANDUM OF OBJECTS AND REASONS**

This Bill is prepared pursuant to the standing Order of the County Assembly which requires the County Bill to be presented to the County Assembly as a legislative proposal.

The object of the bill is to impose or vary the various taxes, licenses, fee and other service charges that are payable to the Kisumu County Government. These are set out in the Schedule. The said Schedule sets out the rates in Kenya Shillings (KSh.). The proposed streams of revenue collection are intended to enhance the revenue payable to the County Government so as to ensure better service delivery and also to enable the County Government to perform the increased functions bestowed on it by the Fourth Schedule of the Constitution.

**Statement on Delegated Powers to Legislate**

The Executive Committee Member responsible for Finance, Economic Planning and ICT is empowered to bring into operation the various provisions of the Act or certain sections of the Schedule. This is to enable the putting in place of the necessary physical, administrative and personnel infrastructure that would aid in the operationalisation and collection of the proposed taxes, fees and charges.

**Part I** provides for preliminary provisions.

**Part II** provides for power to charge licence fees, rent and cess. The **Part** further provide powers to the County Executive Committee Member responsible for finance, Economic Planning and Ict to amend any of the Schedule through an order published in a gazette.

**Part III** provides for payment to the County to be made though an authorised channel. It requires receipt to be issued for all payments made to the County and provides for an offence for a person that contravenes the provisions of this part. It also provides for appointment of agencies for the assistance in revenue collection and recovery and duties of the agent.

**Part IV** provides for a general penalty for failure to comply with any provisions of the Act. It also provides for offences by the staff of the County including the penalty for the offences. This provides recourse if a person is aggrieved by non-performance of the County Officers.

**Part V** provides for savings of any of the fees, charges, permit, rent or cess that is currently being charged by the County until such fees, charges, permit, rent or cess is repealed or a law is enacted to provide for it. It also provides for savings of directions, resolutions or authorization that are in the County law, relating to financial management to ensure the financial base of the County is not affected by the enactment of this law.
