- 46 — Appeals.
- 47— Savings clause.
- 48— Amendment to the Seventh Schedule of the Kiambu County Finance Act, 2018.

**THE KIAMBU COUNTY HEALTH SERVICES
ACT, 2019**

**AN ACT of County Assembly of Kiambu to provide for
implementation of section 2 of part 2 of the Fourth
Schedule to the Constitution on county health
services and for connected purposes**

ENACTED by the County Assembly of Kiambu as follows—

1. This Act may be cited as the Kiambu County Health Services Act, 2019 Short title

2. In this Act unless the context otherwise requires Interpretation

“Act” means the Kiambu County Health Services Act, 2018;

“Board” means the hospital Board established under section 16 of this Act;

“Chief Officer” means Chief Officer responsible for the Department of Health Services;

“County” means Kiambu County

“Emergency medical condition” means an acute situation of injury or illness that poses an immediate risk to life or health of a person or has potential for deterioration in the health of a person or if not managed timely would lead to adverse consequences in the person’s wellbeing.

"Emergency treatment" refers to necessary immediate health care that must be administered to prevent death or worsening of a medical condition;

“Executive Member” means the County Executive Committee Member in charge of Health Services;

“Health” refers to a state of complete physical, mental and social wellbeing of a person and not merely the absence of disease or infirmity;

“Health care professional” includes any person who has obtained health professional qualifications and license from the relevant regulatory body;

“Health care provider” means a person who provides health care services and includes a health care professional;

“Health care services” means the prevention, promotion, management or alleviation of disease, illness,

injury and other physical and mental impairment in individuals delivered by the health care providers through the health care system's routine health services, or its emergency health care services;

“Health facility” means the whole or parts of a public or private institution, building or place, whether for profit or not, that is operated or designed to provide inpatient or outpatient treatment, diagnostic or therapeutic interventions, nursing, rehabilitative, palliative, convalescent, preventive or other health services;

“Health system” means an organization of people, institutions and resources, that deliver health care services to meet the health needs of the population in accordance with the established policies;

“Fund” means the Fund established under section 29 of this Act;

“Private health care services” provisions of health care services offered by a health facility that is not owned by the Government and includes health care services provided by individuals, faith-based organization and private health institutions;

“Public health” means the health of the population as a whole, especially as monitored, regulated and promoted by the Government;

“Public health care services” means health care services by a health facility owned by the Government.

3. The purpose of the Act is to—

Purpose of the Act

- (a) promote access to health services;
- (b) facilitate the progressive realization of the right to health within the County to the highest attainable standard of health, including public health, reproductive health care and the right to emergency medical treatment;
- (c) promote public health;
- (d) establish a framework for cooperation with the health regulatory bodies established under any other written law for purposes of assuring standard health care services;

- (e) establish a legal framework for private-public partnerships in healthcare services provision, medical training and research; and,
- (f) establish a framework operation of amenity wards within public facilities.

4. (1) This Act applies to any person offering health care services within the County. Application

(2) A person who offers any health care service within the County in contravention of this Act commits an offence and on conviction is liable to a fine of a sum not exceeding one million Kenya shillings or imprisonment for a term not exceeding twelve months or to both.

5. The implementation of this Act is guided by the following principles— Guiding principles

- (a) the individual right to health shall be upheld, observed, promoted and protected;
- (b) provision of health care services shall focus on promotion of health;
- (c) health care services shall be available, accessible and of highest attainable standards; and
- (d) provision of health care services shall be within the established health care system and in accordance with the standards prescribed in national and county policies and legislations.

6. (1) The Executive Member shall submit an annual report to the Assembly outlining— Annual and other reports

- (a) the measures taken to implement the provisions of this Act;
- (b) the quality status of health care services within the County;
- (c) the county preparedness to offer emergency health care services;
- (d) the measures taken to control and mitigate the impact of health risk factors;
- (e) the level of disease burden disaggregated in terms of age, gender, social status, communicable and injuries among others;

- (f) measures taken to implement health policies, including the national health policies;
- (g) the status of compliance with quality standard for the health care services within the County; and
- (h) any other matter as the Executive Member may deem relevant.

(2) Notwithstanding the provisions of subsection (1), the Executive Member may be called upon to make such other reports to the Assembly from time to time as may be deemed necessary.

PART II—RIGHTS AND DUTIES OF PATIENTS

7. A patient has the right to—

Rights of patients

- (a) access to the highest attainable standard health care services;
- (b) be treated with dignity, respect and their privacy respected in accordance with the Constitution;
- (c) emergency medical treatment by the health care provider of the first contact;
- (d) be informed about his or her health, including the health care services, procedures or products that may be administered and the identity of the health care provider attending to him or her; and
- (e) to file a complaint where aggrieved with the health care services rendered.

(2) To ensure the implementation of sub-section (1), the Chief Officer shall—

- (a) coordinate the provision of health care services;
- (b) coordinate the implementation of national and County health care policies and laws;
- (c) coordinate provision of emergency health care services;
- (d) establish a structure for implementation of outreach health care services;
- (e) recommend to the Executive Member policies, regulations, guidelines, standards and strategies on health care services;

- (f) supervision of the health care system within the county;
- (g) ensure continued maintenance of quality health care standards within the County; and
- (h) monitor and evaluate the implementation of this Act.

8. (1) Every person has the right to emergency treatment. Emergency treatment

(2) For the purposes of this section, emergency treatment shall include—

- (a) pre-hospital care;
- (b) stabilizing the health status of the individual; or
- (c) arranging for referral in cases where the health provider of first call does not have facilities or capability to stabilize the health status of the victim.

(3) Any health care provider who fails to provide emergency treatment while having ability to do so commits an offence and is liable upon conviction to a fine not exceeding three million shillings or to imprisonment for a term not exceeding twelve months or both.

9. (1) There shall be the emergency health care services unit within the County headed by the County emergency health care services coordinator. Coordination of emergency health care services

(2) In addition to other requirements under this Act, the Executive Member shall progressively ensure that there is at least one casualty unit in every sub-county.

(3) The Chief Officer shall designate a health care provider to be the County emergency health care services coordinator.

(4) The County Emergency health care services coordinator shall be responsible to the Chief Officer for supervising and coordinating—

- (a) casualty services;
- (b) ambulance services and pre-hospital care;
- (c) health evacuations;
- (d) other services deemed or declared to be a health emergency or disaster within the County;

- (e) collaborations, linkages and co-operations with other entities for purposes of providing emergency services;
- (f) advising the Chief Officer on matters relating to provisions of emergency health care services; and
- (g) undertaking such other function as may be assigned by the Director from time to time.

(5) The Chief Officer shall deploy such number of staff to the emergency health unit as shall be necessary for delivery of better emergency services.

(6) The Executive Member may prescribe regulations for better implementation of this section.

10. (1) A patient shall not receive health care services unless the patient gives informed consent. Requirement for consent

(2) Notwithstanding the provisions of sub-section (1), if a patient is unable to give informed consent, the consent may be given on behalf of the patient by either—

- (a) the patient's parent or guardian in the case of a minor;
- (b) a person mandated by the patient in writing to grant the consent on his or her behalf; or
- (c) the patient's next of kin.

(3) Notwithstanding sub-sections (1) and (2), health care services may be provided to a patient without a consent if-

- (a) the provision of the health care service is authorized by a law or a court order;
- (b) the patient is receiving emergency health care services;
- (c) failure to treat the patient may result in serious risk to public health; or
- (d) any delay in the provision of the health care service to the patient might result to death or irreversible damage to their health and the patient has not expressly or by implications or conduct refused to receive the service.

(4) For purposes of this section "informed consent" means the consent given by a person with legal and mental capacity to give such consent, which is given on the basis

of the information given to that person by a health care provider on the specified health care service to be provided.

11. A person shall not disclose any information concerning a patient, including information relating to his or her health status, treatment or stay in a health facility unless— Confidentiality

- (a) the patient has given written informed consent;
- (b) a court order or any applicable law requires such disclosure; or
- (c) non-disclosure of the information represents a serious threat to public health.

12. A patient is required to— Obligations of patients

- (a) adhere to the rules of a health facility when receiving treating or accessing any other services from a health facility;
- (b) adhere to the medical or health advice and treatment provided;
- (c) give accurate information pertaining to his or her health when receiving treatment;
- (d) cooperate with the health care providers;
- (e) treat health care providers with dignity and respect; and
- (f) sign a discharge certificate or release of liability if he or she refuses to accept or to implement recommended treatment.

PART III—ADMINISTRATION

13. (1) The County Government shall be responsible for— Responsibility of the County Government

- (a) promotion of public health;
- (b) management of public health facilities; and
- (c) quality assurance of health care services within the County.

(2) The County Government shall establish appropriate governance, administrative structures and personnel structures as shall be necessary for better implementation of its mandate.

(3) The County Government may prescribe fees and charges for services rendered by the Department or any of its agents charged with the responsibility of implementing the County Government's mandate under this Act.

(4) The fees and charges prescribed under the First Schedule to this Act shall be the fees payable for services rendered under this Act.

(5) Notwithstanding the provisions of subsection (4), no fees shall be charged to public health facility of level three and below except on publication of an order in the gazette made by the Executive Member responsible for Finance specifying—

- (a) the level of the public health facility in which such charge shall be made;
- (b) the amount payable; and
- (c) date of commencement of such payment.

(6) The Executive Member responsible for Finance may, under the Finance Act, amend the first schedule.

14. There is established the Office of the County Director of Health.

County Director of Health

15. (1) The Executive Member may establish such Directorates as may be necessary for better implementation of this Act.

Establishment of Directorates

(2) The Directorates shall be headed by a Director appointed by the County Public Service Board through a competitive process.

(3) The County Public Service Board may, on the recommendation of the Chief Officer, appoint a person to deputize a Director on such terms and conditions as shall be appropriate.

(4) A Director shall be responsible to the Chief Officer for the day to day operations and implementation of the Directorate's functions.

(5) A person shall not be appointed as a Director under this Act unless that person—

- (a) is a Kenyan citizen;
- (b) possesses a Bachelors Degree in Medical Sciences from a university recognized in Kenya;

- (c) has at least five years' relevant experience; and
- (d) meets the requirements of chapter six of the Constitution.

16. (1) The Chief Officer may designate a staff to be a superintendent of a hospital or the officer in charge of a health unit.

Hospital superintendent or officer in charge of a health unit

(2) A person shall not be designated as a Superintendent under this section unless the person has a degree in health sciences and at least five years relevant experience.

(3) A person shall not be designated as an officer in charge of a health unit under this section unless the person has a diploma in health sciences and at least five years relevant experience.

(4) A Superintendent of a hospital or the officer in charge of a health unit shall be responsible for day to day administration of the hospital or health unit.

17. (1) The County Public Service Board may appoint such other members of staff as shall be necessary for the better implementation of this Act.

Other staff

(2) Notwithstanding subsection (1), a hospital Superintendent or an officer in charge of a hospital may, in consultation with the County Public Service Board, recruit such other staff on a short term or temporary basis for purposes of providing essential services.

18. The Chief Officer may—

Deployment and designation of staff

- (a) designate a staff member to be a head of a department or programme; or
- (b) deploy a member of staff to any duty station within the County.

19. (1) The Executive Member shall appoint a Board for a level four and above hospital, comprising of—

Appointment Hospital Boards

- (a) a chairperson who shall not be a staff of the County Government with a minimum of a diploma;
- (b) the hospital superintendent who shall be the secretary;

- (c) four residents of the sub-county in which the hospital is located who have attained basic level education taking into account gender parity and special interest groups.

(2) The Board may co-opt any person with relevant expertise necessary to assist the Board determine a matter before it.

(3) A person shall not be appointed as a Chairperson of a Board unless that person—

- (a) is a Kenyan;
- (b) possesses at least a diploma from an institution recognized in Kenya;
- (c) has experience in management, leadership or administration; and
- (d) meets the requirements Chapter six of the Constitution.

(4) The Members of the Board, other than the *ex-officio* Member, shall serve for a term of three years which term may be renewed once.

(5) The Board shall—

- (a) provide oversight over the general administration of the hospital;
- (b) promote the development of the hospital;
- (c) recommend to the Executive Member plans and programs for implementing the county health strategies in the hospital;
- (d) recommend to the Executive Member budget estimates;
- (e) establishing a hospital-community participation and feedback platform;
- (f) assessing the delivery of services at the hospital and advice the Executive Member;
- (g) monitoring the hospitals performance against set targets and advice the Executive Member; and
- (h) carrying out any other function that may assigned by the Executive Member.

(6) The Executive Member may by Regulations prescribe the conduct of business of the Board.

(7) The Executive Member may remove from office any member of the Board who—

- (a) has been absent for three consecutive meetings of the Board without the permission of the Chairperson;
- (b) is adjudged bankrupt;
- (c) is unable to discharge his or her duties due to physical or mental incapacity;
- (d) violates or is suspected of violating the provisions of Chapter six of the Constitution; or
- (e) is charged with a criminal offence in court of law or a traffic offence attracting an imprisonment term of a minimum of six months.

20. (1) The Executive Member shall appoint a Health Facility Management committee for every level two and three hospital , comprising of—

Appointment
Health Facility
Management
committees

- (a) a chairperson who shall not be a staff of the County Government;
- (b) not more than four persons from the ward in which the health facility is located with at least five years experience in health-related matters; and
- (c) the officer in charge of the health facility, who shall be the secretary.

(2) A person shall not be appointed as a Chairperson under this section unless that person—

- (a) is a Kenyan;
- (b) has attained at least a diploma from an institution recognized in Kenya;
- (c) Resident of the area;
- (d) meets the requirements of Chapter six of the Constitution.

(3) The provisions of sub-section 19 (7) shall apply with the necessary modifications.

(4) The Health Facility Management committees shall through their respective directorates be responsible for—

- (a) identifying the health needs of the community and advising the Chief officer;
- (b) providing oversight on the general administration of the health facility;
- (c) promoting the development of the health facility;
- (d) recommending to the Executive Member plans and programs for implementing county health strategies in the health facility;
- (e) recommending to the Executive Member budget estimates;
- (f) establishing a health facility-community participation and feedback platform;
- (g) assessing the delivery of services at the health facility and advice the Executive Member;
- (h) monitoring the health facility performance against set targets and advice the Executive Member; and
- (i) carrying out any other function that may assigned by the Executive Member.

(5) The term of office of a member appointed under sub section (1) (a) shall be three years which term may be renewed.

(6) The Executive Member may remove from office any member of the Board who—

- (a) has been absent for three consecutive meetings of the Board without the permission of the Chairperson;
- (b) is adjudged bankrupt;
- (c) is unable to discharge his or her duties due to physical or mental incapacity;
- (d) violates or is suspected of violating Article 6 and 10 of the Constitution; or
- (e) is charged with a criminal offence in court of law or a traffic offense attracting an imprisonment term of a minimum of six months.

21. (1) There shall be a County Health Management Team appointed by the Executive Member comprising of—

Appointment of
County Health
Management Team

- (a) the Chief Officer who shall be the Chairperson;
 - (b) directors within the Department;
 - (c) heads of units or sections within the Department; and,
 - (d) the County Director of Health who shall be the Secretary.
- (2) The County Hospital Management Team shall be responsible for—
- (a) reviewing and monitoring the implementation of this Act and advising the Department on appropriate measures to be adopted for effective implementation of this Act;
 - (b) supervising and supporting the management of the hospitals and county health facilities;
 - (c) exercising disciplinary measures over health personnel working within the Department;
 - (d) assessing the delivery and impact of the health care services within the County and advising the Executive Member;
 - (e) monitoring drugs and commodities availability and diagnostic standards;
 - (f) recommending policies, strategies, regulations and standards to the Executive Member; and
 - (g) undertake such other matters as the Executive Member may from time to time assign.
- (3) The County Health Management Team shall meet at least once in every quarter.
- (4) The County Health Management Team shall prepare and submit quarterly reports of its operations to the Department, which may inform the preparation of the reports under section 6.
- (5) The Executive Member may prescribe guidelines for conduct of business of the County Health Management Team.

22. (1) Each public hospital or public health facility shall establish a hospital management team comprising of all the heads of the hospital departments to assist in the day to day management of the hospital.

Establishment of
Hospital
Management Team

(2) A hospital management team shall meet at least once every quarter.

(3) The hospital management team shall submit a quarterly report to the Chief Officer on its operations and status of health care services at the health facility.

**PART IV— ESTABLISHMENT, CLASSIFICATION
AND STRUCTURES OF PUBLIC HEALTH
FACILITIES**

23. (1) The Executive Member may, with the approval of the County Executive Committee, establish a public health facility.

Establishment of
public health
facilities

(2) A public health facility established before the enactment of this Act shall be deemed to have been established under this Act.

(3) A health facility established under this section shall be a planning unit within the Department responsible for health care services unless otherwise provided under any other written law.

24. (1) The public health facilities may be classified as level one, two, three, four, five or County referral hospital.

Classification of
public health
facilities

(2) The Executive Member may, in accordance with the laws and standards applicable nationally for classification of health facilities and with the approval of the County Executive Committee, classify or upgrade a health facility in any classification level as shall be necessary for better implementation of this Act.

(3) The Executive Member shall ensure the establishment and implementation of a health services referral structure within the various levels of health facilities in accordance with the national regulations and standards.

25. (1) The Executive Member may, with approval of the County Executive Committee, upgrade a level five hospital to be a County referral hospital.

Establishment of a
County referral
hospital

(2) The Executive Member shall prescribe regulations for management and administration of a County referral hospital.

26. The Executive Member may, establish such other healthcare units including— Other specialized units and centers

- (a) reproductive units;
- (b) child health units;
- (c) mental health;
- (d) oncology;
- (e) amenity wards; and
- (f) any other specialized centers.

PART V— QUALITY ASSURANCE

27. (1) A health facility shall have a quality management system applicable to health care services. Maintenance of quality standards

(2) The Executive Member may by Regulations prescribe the quality management standards and a framework for cooperation with the health care services regulatory bodies established under any other written law for purposes of ensuring maintenance of quality health care standards within the County.

28. The Executive member shall appoint a County Health Quality Assurance Advisory Board comprising of— Appointment of a County Health Quality Assurance Advisory Board

- (a) a Chairperson;
- (b) the Directors in the Department of Health Services;
- (c) the officer in charge of public Health;
- (d) a representative of universities within the County teaching medical subjects;
- (e) two representatives of private health care providers; and
- (f) the head of quality health standards who shall be the secretary.

(2) The County Health Quality Assurance Advisory Board shall have powers to enter and inspect a health facility within the County at any time for purposes of-

- (a) preparing a report on compliance with the quality assurance standards in any policy or written law and making recommendations to the relevant regulatory body on compliance thereof;
- (b) advising the Executive Member on compliance with the provisions of this Act by a health care provider;
- (c) advising the licensing officer before issuance of a business permit or license where applicable.

(3) A person who obstructs a member of the County Health Quality Assurance Advisory Board to conduct an inspection commits an offence and on conviction, is liable to a fine of a sum not exceeding five hundred thousand or to imprisonment for a term not exceeding one year or to both.

(4) The County Health Quality Assurance Advisory Board shall prepare and submit an annual report to the Executive Member on its operations and compliance with the prescribed health care standards within the County.

PART VI – KIAMBU COUNTY HEALTH SERVICES FACILITY IMPROVEMENT FUND

29. There is established a Fund to be known as the Kiambu County Health Services Facility Improvement Fund.

Establishment of the fund

30. The Fund shall consist of—

Sources of the fund

- (a) monies appropriated for this purpose by the County Assembly;
- (b) monies earned by or arising from investment made in respect of the Fund;
- (c) monies collected as charges by the health service institutions for services rendered or goods sold;
- (d) other sums of money that may in any manner become payable to or vested in the Fund including gifts, grants, bequeaths and donations;
- (e) charges and fees levied in relation to promotion of public health; and
- (f) any other sums of money earned by the institutions in execution of their mandate.

31. The Fund shall be utilized in a public health facility for— Utilization of the fund

- (a) purchase of drugs and commodities;
- (b) health facilities administrative functions;
- (c) acquisition and maintenance of health care equipment, apparatus and accessories;
- (d) purchase or acquisition of such other items or services as may be approved by the Executive Member; and,
- (e) development and maintenance of health facilities.

32. (1) The monies of the Fund shall be deposited in a bank account approved by the Executive Member for Finance under the name “Kiambu County Health Services Facility Improvement Fund”. Funds bank account

(2) The signatories of the account shall be the officer administering the Fund and other officers of the County Government designated by the Executive Member for finance.

33. The Executive Member for Finance shall designate a staff of the County Government to administer the Fund. Appointment of an officer to administer the Fund

34. The officer administering the Fund shall—

- (a) ensure that money held in the Fund including any earnings or accruals are retained in the Fund unless the Executive Member for finance in consultation with the County Assembly otherwise directs;
- (b) ensure that the money held in the Fund is spent only for the purposes for which the Fund is established;
- (c) submit the Fund’s budget to the Executive Member for approval;
- (d) ensure efficient management of the Fund;
- (e) authorize disbursement of funds to the institutions in accordance with the approved budget;
- (f) continuously review, monitor and evaluate utilization of the Fund;

Responsibilities of the officer administering the Fund

- (g) ensure that the accounts of the Fund and the annual financial statements relating to the Fund's accounts comply with the accounting standards prescribed by the Accounting Standards Board;
- (h) prepare the financial accounts for the Fund in each financial year;
- (i) submit financial statements for the Fund to the Auditor-General not later than three months after the end of each financial year;
- (j) present the financial statements to the County Assembly; and
- (k) undertake such other functions as the Executive Member may from time to time assign.

35. (1) The Fund shall be administered in accordance with the Public Finance Management Act.

Administration of the Fund

(2) The officer administering the Fund shall at the beginning of every quarter issue an authority to incur expenditure to the institutions' accounting officers.

(3) The Executive Member for finance may from time to time issue guidelines for better administration of the Fund.

36. (1) All monies realized by an institution shall be deposited in an account for the institution operated in accordance with section 37 of the Act.

Administration of monies realized by a public hospital

(2) An institution shall only utilize the funds—

- (a) in accordance with the approved budget;
- (b) on the basis of the authority to incur expenditure; and
- (c) in accordance with the laws governing public procurement and disposal.

(3) All payments to the institution shall be recorded and banked in the institution's bank account within twenty-four hours.

(4) Not later than the fifth day after the close of the financial year, all monies held in an institution's bank account shall be transferred to the Fund's account.

37. (1) Any bank account operated by an institution shall include the words “facility improvement fund” to the name of the account in addition to its own name.

Institutions’ bank
accounts

(2) All the monies realized by an institution for services rendered or for goods sold or other sources shall be deposited in that institutions’ bank account.

(3) The signatories of the account shall be the institution’s accounting officer together with either—

- (a) the officer administering the Fund; or
- (b) a member of staff designated by the Executive Member for finance.

38. (1) There is established the Health Fund Committee comprising of the following persons appointed by the Executive Member –

Health Fund
Committee

- (a) Chief Officer who shall be the Chairperson;
- (b) County Director of Health who shall be the Secretary;
- (c) not more than three accounting officers of any of the institutions; and
- (d) not more than two Directors in the department for the time being responsible for Health services or their appointees.

(2) In making the appointments, the Executive Member shall endeavor to attain gender parity and inclusion of special interest groups.

39. The Health Fund Committee shall—

Functions of the
Health Fund
Committee

- (a) recommend to the Executive Member policies and strategies for better implementation of the Fund;
- (b) recommend the respective institutions’ budget to the Executive Member;
- (c) evaluate an institution’s performance including its capacity to generate and utilize funds;
- (d) recommend to the Executive Member Fund’s investments;
- (e) advice the Executive Member on matters relating to the Fund; and

- (f) perform any other functions as may be assigned from time to time by the Executive Member.

40. (1) The Department of Health Services shall provide a secretariat for the Health Fund Committee.

Conduct of
business of the
Health Fund
Committee

(2) The quorum for the meeting shall be half of the members.

(3) The Committee shall not exceed four meetings in a year unless authorized by the Executive Member

(4) The Executive Member may from time to time direct the procedure for the conduct of meetings of the Health Fund Committee.

41. (1) The Fund account and each institution's bank account shall be audited in accordance with laws governing management of public funds.

Audits of accounts

(2) Notwithstanding subsection (1), an internal auditor may be designated to the Fund in accordance with the County deployment guidelines.

42. (1) The surplus realized in any financial year from the operations of the Fund shall be retained in a reserve account of the Fund and any deficiency realized in any financial year shall, subject to prior approval of the County Treasury, be offset against the realized surplus held in the reserve account of the Fund.

Investment of
surplus funds

(2) The Executive Member for Finance may from time to time give guidelines on investment of the fund surplus.

43. (1) The Executive Member for Finance may, with the approval of the County Assembly wind up the Fund.

Winding up

(2) Upon winding up of the Fund, the officer administering the Fund shall—

- (a) pay any outstanding debt or liability of the Fund from the money held in the Fund's account; and
- (b) pay any amount remaining in the Fund to the County Treasury.

(3) The Executive Member for finance shall, with the approval of the County Assembly, pay any debt or liability of the Fund from the County Treasury.

(4) Any money held in the institution's bank account at the time of winding up of the Fund shall be paid to the County Treasury.

44. Any money held by a public health facility from its earnings prior to enactment of this Act shall be deemed to be money administered in accordance with this part. Transition

PART VIII—GENERAL PROVISIONS

45. The Executive Member may make Regulations generally for the better carrying out of the objects of this Act. Regulations

(2) Without prejudice to the generality of sub-section (1), the Regulations may prescribe—

- (a) procedure for conducting inspections and audits of health facilities;
- (b) for the conduct of business of Committees and Boards established under this Act;
- (c) procedure for disclosing a patient's confidential information;
- (d) coordination of emergency health care services;
- (e) management and administration of County referral hospital and other specialized units and centers;
- (f) administration of amenity wards;
- (g) amendments to the First Schedule and pricing guidelines;
- (h) guiding the cooperation between the County Government and the Regulatory bodies in the health care system; and,
- (i) management and administration of County referral hospital and other specialized units and centers.

46. Any person aggrieved by the decision of Director or of a Committee or a Board established under this Act, or by a health care provider may appeal to the Executive Member within sixty days from the date of communication of that decision. Appeals

No. 2*Kiambu County Health Services***2019**

47. Any contract entered into or any loan granted or any liability, right or interest arising or accrued in the implementation of the Kiambu County Health Services Act, 2014 shall be deemed to be a contract, loan, liability, right or interest accrued under this Act.

Saving clause

48. The Kiambu County Finance Act 2018 is amended by deleting the Seventh Schedule and replacing therefor with the First Schedule to this Act.

Amendment to the Seventh Schedule of the Kiambu County Finance Act, 2018

FIRST SCHEDULE**Fees and Charges for Public Health** (s.13 and 30)
