MEMORANDUM OF OBJECTS AND REASONS

Statement of objects and reasons

The Bill is prepared pursuant to Article 209 of the Constitution and the Fourth Schedule of the Constitution, section 132 of the Public Finance Management Act, 2012 dealing with the revenue raising measures for county governments which among other things requires that a Finance Bill be presented to the County Assembly as a legislative proposal.

The Bill seeks to provide for the various taxes, fees and other service charges that are payable to the County Government of Turkana. These are set out in the Schedules. The Schedules also set out the rates payable to the County Governments for enhanced service delivery and to enable the County Government perform the functions bestowed on by the Constitution.

Statement of delegated powers to legislate

The Executive Committee Member for Finance is empowered to bring into operation the various provisions of the Act or certain sections of the Schedules. This requires the CEC to put in place the necessary physical, administrative and personnel infrastructure that will aid in the operationalization of the collection of the proposed taxes, fees and charges.

The operationalization of certain provisions of the proposed law, may occasion additional expenditure of public funds. The funds will be provided for in the Estimates.

MICHAEL EWOL,
Chairperson, Finance Committee.
